

New to Woburn?

Connect with the Woburn Ambassadors!

Presented by Social Capital Inc. (SCI) in partnership with the Woburn Public Schools

Woburn Ambassadors is a program designed to help families who are newcomers in Woburn connect to everything the community has to offer. Program participants will be involved in developing a one on one connection with another family and occasional group events and activities.

Benefits for new Woburn families:

- Learn more about the resources within your new community
- Make connections with fellow parents and neighbors
- Hear first hand experiences and advice from community members and parents who have been part of the community for many years
- Ask practical questions to help you and your family get situated in the community
