***Take an Important Step in  
The Fight Against Dyslexia***

We're walking to raise money to help children with dyslexia learn to read and write. As many as 1 in 5 U.S. school children are living with dyslexia. Dyslexia can't be cured, but it can be overcome. The program offered at the Children's Dyslexia Centers, Inc. offers the most effective treatment of its kind in battling this disorder. No one else in the nation has a program remotely like it with one-on-one professional tutoring offered to children free of charge. And we need your help.
