

Join the Woburn Ambassadors!

A new program to help families who are newcomers in Woburn connect to everything the community has to offer.

Presented by Social Capital Inc. (SCI) in partnership with the Woburn Public Schools

What we are looking for in our ambassadors:

- Interest in sharing your enthusiasm for the Woburn community with newcomers
 - A strong knowledge of the Woburn community
- A commitment to creating an inclusive and welcoming environment in Woburn
 - Willingness to keep in contact with a family new to the community
 - 2nd language skills are helpful but not required

Benefits for new Woburn families:

- Learn more about the resources within your new community
- Engage and make connections with fellow parents and neighbors
- Hear first hand experiences and advice from community members and parents who have been part of the community for many years
- Gain a resource to ask practical questions to help you and your family get situated in the community
